NATURAL HONEY

Sourced from Marthandam in the Western Ghats, this honey reflects the richness of the region's diverse flora. Produced through scientific Langstroth beekeeping, it ensures clean, high-quality extraction without harming the bees. Collected via cooperative societies, it follows fair trade, strict hygiene, and offers a consistent export-ready supply.

KEY HIGHLIGHTS

- 100% Pure & Raw — No added sugar, flavor, or preservatives
- Naturally Antibacterial & Antioxidant-Rich
- Sustainably Harvested by skilled and ethical beekeepers
- Amber-Golden Hue with a distinct wild floral aroma

WILD FOREST HONEY

Wild Forest Honey is sourced from the pristine forests of the Nilgiris (Western Ghats), Tamil Nadu, a UNESCO-recognized biodiversity hotspot. Collected from wild bee colonies feeding on medicinal herbs, native flora, and forest blossoms, this honey is a true expression of nature's purity and richness.

KEY HIGHLIGHTS

- Origin: Nilgiris Hills, Western Ghats, Tamil Nadu, India
- 100% Wild Forest Honey – not apiary honey
- Naturally rich in antioxidants, enzymes, and minerals
- Distinct dark amber colour with herbal-floral notes
- Free from added sugar, chemicals, or preservatives
- Sustainably harvested from forest ecosystems

PREMIUM BANANA CHIPS

Experience the authentic taste of South Indian Banana Chips, crafted from farm-fresh Nendran bananas grown in the fertile regions of Kanyakumari (Tamil Nadu) and Kerala. Each banana is handpicked at perfect ripeness, thinly sliced, and fried in 100% pure vegetable oil, creating an irresistible golden-crisp texture with a rich, natural aroma.

KEY HIGHLIGHTS

- Origin : Kanyakumari (Tamil Nadu) & Kerala, India
- Made from Premium Nendran Bananas (Traditional Variety)
- Fried only in Pure Vegetable Oil
- No Preservatives | Gluten-Free | 100% Natural
- Crunchy, Flavorful & Loved by All Age Groups

Pure. Traditional. Wholesome.

PALM JAGGERY (KARUPATTI)

Sourced from the pristine palm groves of Tamil Nadu and the southern coastal regions, our Palm Jaggery (Karupatti) is crafted through age-old traditional methods. Free from chemicals and artificial additives, it retains its natural nutrients – offering a rich, earthy sweetness that's both healthy and authentic. A true natural energy booster and the perfect alternative to refined sugar.

HIGHLIGHTS

- 100% Natural & Unrefined
- Rich in Iron, Calcium & Essential Minerals
- Chemical-Free & Preservative-Free
- Boosts Digestion and Immunity
- Traditionally Processed by Rural Artisans
